Portability Tariff Filing of Pacific Bell

Dear Ms. Salas:

Today, May 28, 1999, the undersigned responded to a data request from Carol Canteen of the Competitive Pricing Division regarding the above docketed proceeding. The data was provided to Mr. Barnekov and involved clarifications to the SBC costs associated with Local Number Portability which consisted of a breakdown of the accounts used to develop the administrative factors for Pacific Bell. This data was for clarification of these items only and no new material was placed on the record. However, in the interest of all parties to this proceeding, SBC is filing this exparte letter.

In accordance with 47 C.F. R. 1.1206(a)(1) of the Commission's rules, the original of this letter and one copy are being filed with your office for inclusion in the public record. Acknowledgment and date of receipt are requested. A duplicate of this letter is included for this purpose. Please direct any inquiries concerning the foregoing to the undersigned.

Sincerely,

CC: Chris Barnekov
